

Report of SQUAD INFOTECH workshop 2021-22
Computer Science Department

A one day workshop on campus recruitment and training was organized by department of Computer Science for the students of T.Y.B.Sc.Computer Sci. The resource person for the workshop was from SQUAD INFOTECH team. 41 students participated in the workshop.

The workshop highlighted the following points:

1. Opportunities after graduation.
2. How to explore job vacancy.
3. Preparation for campus recruitment.
4. Creation of resume.
5. Presentation for campus interview.

All the participants actively involved themselves in the workshop. Most of their queries were answered. SQUAD INFOTECH had arranged a presentation for students on the same.
