Annasaheb Vartak College of Arts, K.M. College of Commerce &
E.S. Andrades College of Science

Vasai West, Vasai -401202 Dist. Palghar, Maharashtra (India)

Estd: 1971, Affiliated to University of Mumbai.

(Geography Day)

Introduction: Geography is based on the locations, site and situation on the surface of the earth. the geography department is on the first floor on the west side of the college. this department works to provide education upto SYBA geography students. FYBA arts students learns the physical geography and human geography in their syllabus based on affiliation of university of mumbai. At SYBA arts students learns the subjects, physiography of india , agriculture geography of india, introduction to oceanography and climatology.

Objectives:

- 1) Acquiring the ability to interpret the distribution and processes of physical and human phenomena.
- 2) Understanding the dynamic interrelationship between physical and human world
- 3) Locating places and the relationship between them according to scale.

Acting Mechanism :

The reasons for going to nature and studying geography and the reasons for the students awareness of the objective method.

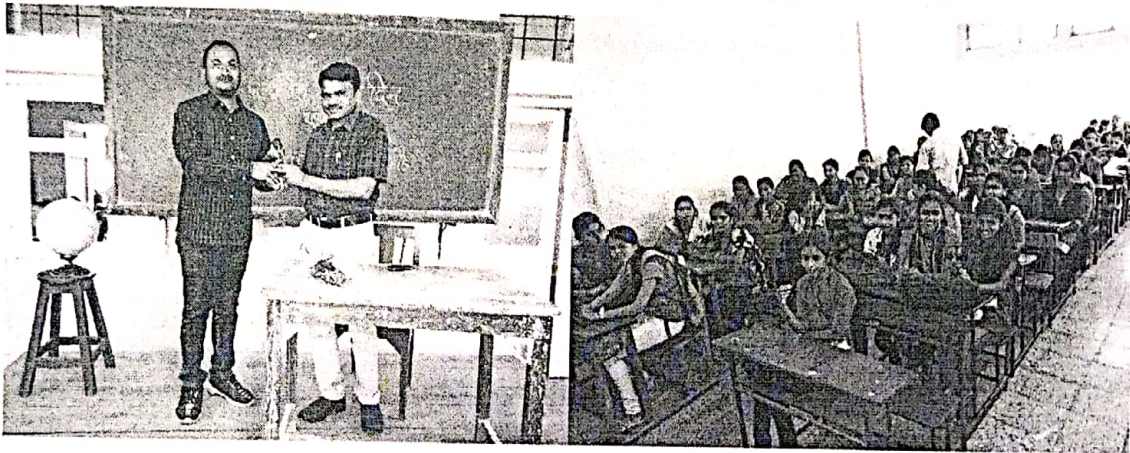

GEOGRAPHY DAY CELEBRATION

14 JANUARY 2017

The main purpose of the celebration is to make our students, understand the fact that with the knowledge of Geography one can understand the basic physical systems that affect everyday

life and study different places, their importance and the relationships between people and their environments.

On the day of geography, the department of geography had given a speech by professor Vijayanand Bansode on the youth of today's age. In addition, all the students in the geography department were given roses and Tilgul were distributed among the students and teaching staff.

Policy:

To give factual education to fight competition.

List beneficiaries :

GEOGRAPHY DAY CELEBRATION

14 JANUARY 2018

A study tour helps students appreciate their field of study more and it really helps them better realize the interaction between their chosen fields of study to the rest of the world. Study

tours help students open themselves to many possibilities that are not just contained in one geographical location or culture.

This year the Department of Geography had organized a study tour on the Occasion of geography day. This trip was go to Shivansai and Chandip. At this time student studied the flows of river Tansa and the Sahyadri Ranges. There was 116 students participated in study Tour.

Policy:

To give factual education to fight competition.
