1. Preamble

A.V College of Arts, K.M College of Commerce and E.S Andrades College of Science, Vasai Road, Palghar promote research culture by supplementing it with teaching-learning in which freedom of inquiry, opinion, expression, and publication are fully protected.

2. Scope of the Policy

Research Policy Guidelines will be applied to the following category of persons engaged in any form of research activity.

1. Academic Staff
2. Research scholars registered under Research Guides who are currently faculty of the institution.
3. Students

3. College's Research Policy

The Research Policy document outlines broad principles that guide research efforts while maintaining the integrity of scholarly inquiry, assisting staff and students in achieving greatness and contributing to societal progress.

4. Policy statement

An institution focused on research and innovation. To achieve this purpose, it is critical to conduct targeted and applied research in all domains/faculties of study in a transparent, accountable, and ethical manner for knowledge advancement and development. It is also critical to ensure that the findings of such research are effectively conveyed to the broadest possible audience at both the national and global levels. This policy establishes rules for the conduct of research at all levels and applies to all full-time Faculty and students of the College who may be involved in any type of research activity.

5. Research Objective

1. Encourage teachers to conduct research in their respective professions, allowing for an effective flow of knowledge and ideas with the student body.
2. Raising awareness about the significance of ethical practises and considerations in research.
3. Recognize research as an essential activity at the College.
4. Maintain and improve the quality of research conducted
5. Increase research funds from external and internal sources.
6. Create systems that are transparent, effective, and efficient in order to maximize research outputs.
7. Integrate undergraduate, postgraduate, and doctorate research efforts.
8. students with the College's research focus aligned with national thrust areas
9. Establish a framework for conducting research openly, socially accountable, and ethically.
10. Ensure effective internal and external academic research efforts and accomplishments dissemination.

6. Composition of Research Cell

Research Cell will have the following composition

- Chairperson
- Coordinator
- Teachers (3-5) – Members
- Industry/Academia representative: (1-2) – Members
- Student representatives: (1-2) Members
- Research Cell may be expanded with the inclusion of more members as necessary.

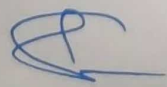

7. The role and function of the Research cell

1. To foster an atmosphere conducive to the promotion of research and innovation activities within the institution.
2. Identify viable research areas and encourage academic members to apply for major, minor, and joint research projects.
3. Workshops and Faculty Development Programmes in Research Methodology and Research Paper Writing Nuances will be organised.

8. Responsibilities of the Research Cell

The College is dedicated to demonstrating its support and enthusiasm for pursuing research. Research cell also understands the demands of higher education, which is a dynamic and ever-changing notion that necessitates ongoing upgrading, which may be accomplished through a robust research culture. To that purpose, the Research Advisory Committee is charged with the following responsibilities:

1. Make recommendations to the College's administration about the provision of necessary infrastructure and logistical support for Faculty engaged in research.
2. Requests to improve research facilities that provide resources and services based on the request of Faculty/Research Scholars/Research Supervisors/Principal Investigator.
3. Ensure that the library is well-equipped and supplied with the most recent versions of books, e-journals, and research databases, all required for high-quality research.
4. Organize workshops and training programmes for research scholars and faculty from various departments on topics such as research methodology, writing proposals, managing research projects, disseminating research findings, academic integrity, and ethical practises in research to improve research skills.
5. Encourage non-Ph.D. faculty should enrol in doctoral programmes to maintain the institution's academic standards.
6. Encourage Ph.D. faculty to conduct additional research and deliver papers at prestigious national and international conferences, for which the college provides financial support.
7. Encourage Faculty who have achieved a Ph.D. and meet the University of Mumbai's qualifying requirements to apply for Guideship.
