7. Overall Report of the Programme:

Organ Donation is something that is more important than people realize. It is important for society as well as for an individual. This seminar on awareness of Organ Donation was conducted for First Year BBI students to spread awareness about various aspects of organ donation among the students. Students learned that they all should pledge to donate their organs to save lives and promote the importance of organ donation by participating in various campaigns.

Prof. Bhavana Chauhan Co-ordinator (BMS & BBI)
