**Date: 15<sup>th</sup> Sept. 2022**

**Venue: C. R. Rajani Hall**

**Time: 11.00 am to 1.00pm**

**Speaker: Nithya Amol Bagayatkar**

(Counselor, Premanjali Counselling Services)

After Two years of online mode due to COVID pandemic, it was difficult for students to adjust with offline mode of teaching. Students were facing problem of writing practice, seating longer time for lectures, lack of basic knowledge and many more. To relive stress of students, Women Development Cell of Vartak College organized an activity for student. That was a session on "Stress Management" It was open for boys, girls as well as parents.

The speaker of program was Nithya Bagayatkar. She explained about what is stress? What are reasons of stress? and her beautiful question was, can we live without stress? There were many funny questions asked by Nitya madam to students as well as teachers.

The session gave the students and the faculty members an opportunity to learn that no person in world can leave without stress. What we can do is accept the truth in our life, know yourself and try to minimize the stress by doing exercise, yoga, by doing things that you love and spending time with your friends. Stress will always be part of our life, but it is upto us how we manage it and try to settle things. There was discussion in between and at the end of the session in which the doubts and queries of participants were resolved.

Total **342** students were present for the session on Stress management.
