### College Campus has been painted by various picture which enshrines equality between man and woman

As the educational institutions of Annasaheb Vartak College of Arts, Kedarnath Malhotra College of Commerce, and E. S. Andrades College of Science, we have initiated a transformative approach through wall paintings, led and executed by our students. Wall painting is an incredibly impactful tool for promoting various social causes and values within our campuses, these vibrant murals serve as impactful mediums to promote various critical themes:

**Women Empowerment:** Students' artwork reflects the strength, resilience, and empowerment of women, advocating for their rights and their indispensable role in society.

**Gender Equality:** Our wall paintings depict scenes and messages that highlight the importance of gender equality, showcasing the significance of equal rights and opportunities for all genders.

**Equal Work, Equal Pay:** Our wall paintings emphasize the significance of fair and equal compensation for all kinds of work, irrespective of gender, race, or any other differentiating factor. We seek to create awareness and support for this fundamental principle of equality in the workplace.
